Create a personal account to access your buyer dashboard.

Step by step

1. On the homepage, select **Create account**.
2. Select **PERSONAL**. The **BUSINESS** option is for company registration.
3. Enter your first name, last name, email address, phone number, and country.
4. Enter and confirm your password. The form indicates it must be longer than 6 characters.
5. Read the terms and conditions and privacy policy. Check the boxes if you agree.

6. Select **CREATE ACCOUNT** and follow the instructions shown.

If you have trouble

Check all required fields and make sure both password entries match. If you already have an account, select **Sign in**.
